10 July 1968

MEMORANDUM FOR THE RECORD

Morning Meeting of 10 July 1968

The Director complimented ADD/I on the Saigon paper provided yesterday.

Godfrey advised that Brigadier General Gibbon, prospective Deputy Director of NMCS, J-3, and Lieutenant General Meyer, J-3, will be visiting the Agency's Operations Center on 30 July.

D/ONE initiated a discussion on the disarmament verification Estimate, and the Director asked that a fresh Estimate rather than a memorandum updating the 1967 Estimate be issued.

D/ONE indicated that ONE will prepare a memorandum assessing Soviet intentions in connection with observing a disarmament treaty.

DD/S reported that the trial of the two CAT pilots will resume tomorrow in Taipei and that there is some hope the pilots will be convicted of a misdemeanor rather than of criminal negligence.

Carver reported that Admiral Zumwalt was briefed in Headquarters yesterday.

Maury noted that Phil Kelleher has indicated that chances for passage of the Agency's retiree cost-of-living increase are fair providing the Agency is able to present its case.

Maury advised that Senator Jackson will be briefed this afternoon on the Soviet ICBM situation.

Maury briefed on Senator Ervin's S. 1035 testimony yesterday before the Henderson subcommittee.

DD/P noted that Ambassador Henry Koren was in Headquarters recently and spoke very highly of the Saigon Station complement.

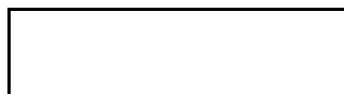

DD/P advised that [] will replace Jim Critchfield as Chief of the NE Division and that Critchfield will undertake special organizational tasks on behalf of the DD/P as well as maintain an interest in certain Middle East questions.

Executive Director reported that CIA cable traffic for the first six months of 1968 was down 9 percent from the same period last year, although non-CIA traffic handled by the Agency was up 9 percent over the first six months of 1967 and 100 percent over that same period in 1963.

Executive Director briefed on where we stand with the Bureau of the Budget in connection with the Fiscal Year 1969 budget figure and personnel ceiling and indicated that final figures are still in the process of being determined.

Executive Director noted that thus far major problems for the Agency as a result of BALPA Step 2/3 have been avoided and that negotiations with State and BOB on specific issues have gone well.

DDCI reported that he has been afforded the opportunity to visit NSA Friday for a no-holds-barred give-and-take session on various SIGINT matters.
